

## GhostBlind™ Layaway Plan

Want to layaway your GhostBlind™?  
No Problem! You can make 4 or less  
payments to get your blind reserved. You can  
use your Credit Card, or send us a check or  
money order.

Pay when you want and when it's paid in full, we will ship your blind(s) to you.

**No hidden charges! No interest! No Penalties!**

**It's That Easy!**

**How It Works** - If you would like to make 4 or less payments, add your items to the shopping cart and fill in all of your information as usual. At the bottom of the form, choose either the Mail or Fax Form of your choice. Make sure you complete all of the steps until you get an order number. Print when completed. Simply take the total price and divide by the number of payments you would like to make (2, 3 or 4) and write this on the printed form. Mail us the form with your first payment (check or money order) or fax with your credit card information (740-374-6744). As soon as we receive your final payment, we will ship your blind(s). You can also call us after you have submitted the form and give us your credit card information over the phone if you would prefer. We will have already received your order form with all of your information. You will also receive an email receipt if you supplied us with a valid email address.

**If you get laid off or change your mind before your last payment,**

**No Problem!**

**Simply call us and we will refund all your payments to date, no questions asked.**
